For you I have something really special! It's a rosary left by the Blessed Virgin Mary when she appeared at Chernobyl!

SR. WILHELM. (looking out from a stable window) Sister.

SR. AMNESIA. See, it glows in the dark!

SR. WILHELM. (entering from the stable) Sister Amnesia.

FR. VIRGIL. Hey, you all probably came here by car or bus, right? But the next time you choose an airline consider Ascension Air. The airline that guarantees to get you off (turns cue card over) the ground... oh... get you off the ground every Thursday!

SR. WILHELM. And remember, Catholics get a plenary indulgence every time they fly. (turns cue card over) Lutherans get a box of doughnuts.

Music fades out. WILHELM exits SR and removes her red bandana.

FR. VIRGIL. Now we are very proud to present Sister Mary Paul singing the title song
